# Biography

HARDT ANTOINE is a DJ and producer whose music reflects his French and Jamaican heritage, blending House, Techno, Classical, Soul, and '80s Pop. His sound is built infectious melodies, soulful vocals, and deep grooves, earning him releases on the most renowned labels such as Kompakt and Innervations.

In 2024, HARDT ANTOINE played standout sets at Brunch Electronik and Burning Man, including performances on the iconic Robot Heart and Mayan Warrior art cars. He's continues to perform at the most respected venues including Fabric (London), Panorama Bar(Berlin), Cova Santa (Ibiza), and Volt Milano (Milan). His sets are known for their energy, musical versatility, elegance and keeping dance floors moving wherever he goes.

HARDT ANTOINE has built a reputation for beings one of Electronic music's most played artist – It's rare to attend an Electronic Festival or Nightclub without hearing some of his productions. This is one of the reasons he has been recently named on DJ Mag's Ones to Watch list for 2025 and is recognized as one of the emerging talents shaping the future of dance music.

He is the founder of RECULTURE, a London-based label and event series that brings together music and contemporary art for unique, immersive experiences. He also co-runs ANEMOS DANCE with Maglia, Ilias Petrakis, and DJ Gregory. Based in the Cycladic islands, the label showcases tracks inspired by the area's quieter, creative off-season.

With a focus on meaningful collaborations and dynamic performances, HARDT ANTOINE continues to build a reputation as a versatile and innovative artist in the electronic music scene.
